

# **OPL to Go Mobile App – Multi-Account Function**

The OPL to Go App now allows users to add multiple accounts, making it easy to manage several different individual accounts through the app. Follow the steps below to add more than one account to the mobile app.

## Step 1

Download the OPL to Go App to your mobile device. If you have already have the app downloaded, make sure you have updated to the latest version. Check your app store, or visit <u>opl.ca/About-OPL/OPL-Mobile-App</u>

# Step 2

On the Home Screen of the OPL to Go App, tap on the **library card icon** in the top right corner of the screen.
